By Robert Heide, John Gilman : O'New Jersey, Third Edition: Daytripping, Backroads, Eateries, Funky Adventures O'New Jersey, Third Edition: Daytripping, Backroads, Eateries, Funky Adventures:

2 of 3 review helpful Gotta Have It By Debra in NYC We've used both editions of this wonderful book endlessly. It's a great blend of the off beat to standard places to visit. Nothing is overlooked from outlet malls to antique stalls. The bed and breakfast recommendations are faultless. The food sites range from gourmet to subs. We've had a ball investigating the off the beaten track museums and other tourist attractions. The Essential Guide to Exploring the Garden State. From the crowded streets of Hoboken to the tip of Cape May, O'New Jersey captures the landmarks, stories, experiences and photos that make New Jersey such a fascinating state. Written by two seasoned Jersey experts, this travel guide is filled with descriptive listings, detailed trip advice and maps. Everything you'll need to explore both the familiar favorites and far reaches of the Garden State. From Library Journal: This little gem of a guide presents a selection of 20 day trips through sites from the Campbell Soup Museum in Camden and chic cafes in Hoboken to hikes through South Mountain Reservation and historic house tours in Morris County.
