By Willi Shellenberger : Gunkholer Guide Cruising the Chesapeake places to sail on the usa east coast intracoastal waterway icw six river marine is pleased to introduce our new harbor island series the harbor island 35 shown below is the first design of the series Gunkholer Guide Cruising the Chesapeake:

2 of 2 review helpful Great resource By LG family Seems to be a great resource Well organized with a trove of useful details Have already learned about a few good places to anchor etc not very far from where our boat is docked that I hadn t been aware of Only downside and it s pretty big is the age of the book The latest edition was published in 2001 so the status of some business establishments listed in th Covers twice as many harbors and gunkholes as any other cruising guide available Accurate up to date navigational information pilots the reader into practically every point of interest on the Chesapeake Bay Great photographs and maps
