2 of 2 review helpful Excellent map of a very small area By Aaron Weber This is quite a good map and as someone who s lived in Boston for nearly three years I find myself glad to have it more than I d care to admit However purchasers should note that there are significant portions of metro Boston that are not covered by this map Cambridge Allston Brighton Brookline East Boston for starters and that to have a gui Completely laminated map of Downtown Boston full color noting building names and provides street hundred block numbers Includes a complete street index and point of interest listing Also noted are MBTA routes for the Downtown area Conveniently folds to pocketsize and opens to a manageable 24 X 20
