By Hank Fischer : Paddling Montana (Regional Paddling Series) american manufacturer of the most lightweight durable paddles in the world elevating the paddling experience since 1982 an article on trailpeak entitled bcs top ten canoe routes talking about bcs top ten canoe routes Paddling Montana (Regional Paddling Series):

1 of 1 review helpful The Quintessential Montana Paddler's Compendium By Zachary D Brackett This guide accomplishes exactly what it sets out to do in a thorough and stylish layout. The reader can flip through the pages until they see the river in question at the bottom right and have immediate access to nearly all put ins and take outs along the prospective float. Included with every river is a great summation of popular routes. Detailed paddling information on 32 Montana rivers including such paddling destinations as the Yellowstone, Flathead, Smith and Missouri. Access points, detailed maps, fishing information, average monthly stream flows and much more. From the Back Cover: In this updated guide to Montana's rivers, Hank and Carol Fischer provide details on where to go, optimal flows, access points and the river miles between them, which maps to bring along and who to call for up to the minute information.
