By Bill Schneider : Best Easy Day Hikes Beartooths (Best Easy Day Hikes Series) overview the wind river range

is a member of the central rocky mountain chain it is located entirely in wyoming and is the highest range in the wyoming idaho montana visiting anglers in search of trout fishing often overlook the major lakes in montana with all the many blue ribbon trout streams it is easy to see Best Easy Day Hikes Beartooths (Best Easy Day Hikes Series):

1 of 1 review helpful A great help By Customer If you re headed to the Beartooths this is the book to have I wish all hiking books were like this one His descriptions of the trails are accurate as well as his instructions on finding the trailheads I thoroughly enjoy the graphs indicating the topography of the trail a solid line showing the trail going up and down I have found this book very helpful in planning Montana s Beartooth Mountains have about 300 miles of hiking trails If you re only going to be there for a day or two and need a hike that is not too physically demanding which trail do you choose This book answers that question It includes short descriptions and maps of the author s favorite easy day hikes in the Beartooth Mountains All of the hikes in this book are fairly short on well defined easy to follow trails that take you to the Beartooth s spectacular sc From the Back Cover Montana s Beartooth Mountains have about 300 miles of hiking trails If you re only going to be there for a day or two and need a hike that is not too physically demanding which trail do you choose This book answers that question I
