0 of 0 review helpful Good stuff By Thomas C Gibbons Moon s guide to Montana is an unexpected delight It s in the details the small towns with unusual histories the monuments that go unnoticed by the side of the road the off the beaten path places for which we learned to divert our course If you re interested as we were not in AAA Tour Guide

type reviews this will not do the trick If you really want to learn s The cure for the common trip Moon Handbooks are for readers who are fueled by curiosity and the desire to deviate from the status quo They re for people who want a different perspective and a few new stories to tell With Moon Handbooks readers won t get the standard itinerary they ll get the tools to create a trip that s theirs alone The result A more personal and ultimately more satisfying travel experience The latest in the batch of Moon Handbooks releases proves again that Moon is one of the finest travel series around What sets Moon apart from most most guidebooks is the attention to detail and more importantly a respect for the topic
