By Annick Smith : Homestead (The World As Home) home of laura ingalls wilder and quot;little housequot; stories includes history virtual tour and how to visit in person 21370 homestead road cupertino ca 95014 Homestead (The World As Home):

1 of 1 review helpful A tribute to Montana and its people By Timothy J Bazzett I bought this book after reading an excerpt from it in another book a collection of essays from OUTSIDE magazine As it turned out that particular essay is probably the best part of HOMESTEAD Not that the rest of the book isn't good too but Smith's writing shines the brightest I think when she is writing about her parents her first husband Describes how the author and her family built a wilderness homestead in 1959 Montana that grew into a flourishing ranch and recounts the many adventures that found their roots in early American western and pioneering traditions IP From Publishers Weekly Coproducer of A River Runs Through It and executive producer of Heartland Smith has lived in Montana for more than 30 years With her husband Dave and their four sons she moved to a ranch near the Big Blackfoot River It fulfilled thei
