Wingshooter's Guide to Montana: Upland Birds and Waterfowl (Wingshooter's Guides):

0 of 0 review helpful This is a good book for beginners in bird hunting By Elksecutioner This is a good book for beginners in bird hunting It didn't really meet my expectations in terms of providing information on where to hunt It has some very general information on hunting locations but it's not much more detailed than the information on the Montana FWP website So for beginners or young people this would make Book by Johnson Chuck Williams Ben O'com Montana is a wingshooter's smorgasbord What's been lacking is a menu Not any more Chuck and Ben have pooled their wingshooting savvy into the complete guide to wingshooting Montana Includes maps graphs tips and technique sections They evaluate
