0 of 0 review helpful Not what I had hoped it would be By suzanne The book is divided by activities or what to do and all three areas are included in the given section rather than having a complete section on the three different places such as Martha's Vineyard What to Do Getting There Where to Stay What to Eat etc Other travel books I have read are divided by area Especially since the book details both With Ulysses discover the artist's colony of Provincetown hike the dramatic Cape Cod National Seashore and stroll around Hyannis renowned as the village of the Kennedy clan Also featured are full descriptions of all the beaches both tame and wild
