Orient, with preludes on current events (His Boston Monday lectures):

If intellectual faculties are common to all men reason is also if reason is common to all then conscience which commands us what ta do and what not to do is common also if this is so there is a common law also if this is so we are all members of some political community and if this is so the whole world is in a manner one state Marcus Aurelius T houghts iv 4 The sun orb sings in emulation Mid brother spheres his ancient round His path predestined thro
