1 of 1 review helpful Good book which saved us money By Pratt Hill Most guidebooks and websites are chock full of touristy things which don t interest me This book includes a number of small but unique historical and natural sites in

NJ I was able to avoid shopping destinations and large tourist traps I put together a string of interesting drives and sites I was traveling with an elderly person so finding things to Often misunderstood by outsiders New Jersey has been coming back into the nation 's eye over the past few years A native of the Garden State Laura Kiniry guides travelers from revitalized Newark which boasts the New Jersey Performing Arts Center to the colonial tea burning town of Greenwich In between is college hub New Brunswick which offers everything from fine dining to college pubs the Thomas Alva Edison Memorial Museum and Atlantic City 's
