Montana's Best Fly Fishing: Flies, Access, and Guide's Advice for the State's Premier Rivers:

2 of 2 review helpful Montana vacation By C Miller My son used this book on our 2013 vacation He found it informative and easy to follow Fishing is Montana isn't as easy as the books make it sound It takes area knowledge and experience to catch the big ones To find out what flies are working for the time it's a good idea to stop in at a local fly shop Those guys all fish regularly and know specifics for the time of year The best places and times to fish Detailed maps and hatch charts plus top producing fly patterns with recipes Local guides and outfitters on techniques and tackle Whether you want to target trout sipping Tricos on the Missouri pack in to the South Fork of the Flathead for a wilderness adventure or simply find a good spot to fish while on a vacation to Glacier or Yellowstone National Park this guide is the best place to start for a successful fishing trip About the Author Ben Romans graduated from the University of Montana's journalism program and after guiding for several seasons in western Montana he became the associate editor at Fly Fisherman magazine He now works as a freelance writer and photographer from
