8 of 8 review helpful I've lost that local feeling By R Harl Having lived in Boston now for 2 1 2 years I was looking for a guide that could provide both insights on what I've been missing and good perspectives on what touristy spots would be best for out of town friends While it's refreshing to read both pros and frank cons of various venues I felt the Frommer's Irreverent content wasn't as broad as I'd expect for Looking for a travel guide that goes where other guides fear to tread One that rides roughshod over ad copy puffery to smartly deliver the real scoop on a destination's sites and attractions One that dares to be honest hip and fun Look no more Frommer's Irreverent Travel Guides are wickedly irreverent unabashedly honest and downright hilarious and provide an insider's perspective on which attractions are overrated tourist traps and which are the secret gems that From the Back Cover Full of solid insider information with just the right amount of cynicism Are you tired of cliché ridden guidebooks packed with promotional fluff Then move over to the IRREVERENT GUIDES — the travel series that no tourist board
